

Mumtaheen Khan

Front-End Developer – React.js | Angular

@ mumtaheenkhan78@gmail.com [linkedin.com/in/mumtaheen-khan-62a77127a](#)

📍 Parbhani, Maharashtra

SUMMARY

I am a dedicated and detail-oriented Front-End Developer with 1 year of professional experience in building responsive and user-friendly web applications. I excel in HTML, CSS, JavaScript, and React.js, with proven expertise in developing dynamic UI components and optimizing performance. I thrive in collaborative, agile environments and am committed to delivering high-quality solutions on time. My passion for learning and modern UI frameworks drives my contribution to scalable software projects

EXPERIENCE

Front-End Developer

Shaats Pvt. Ltd

📅 08/2024 - Present 📍 Aurangabad, Maharashtra

Shaats Pvt. Ltd. is a digital solutions company specializing in website design & development, UI/UX, graphic design, 3D product visualization, and digital marketing with a global client base in India, USA, Canada, UK, and Gulf countries

- Developed and maintained scalable front-end applications using React.js, JavaScript, HTML, and CSS
- Designed and implemented reusable UI components following modern React design patterns
- Optimized performance by reducing bundle size, improving rendering efficiency, and ensuring cross-browser compatibility
- Collaborated with back-end developers to integrate RESTful APIs and deliver dynamic features
- Built responsive designs with CSS Grid, Flexbox, and Material UI to ensure seamless performance across devices
- Conducted code reviews, debugging, and testing, improving code quality and reducing bugs
- Worked within an agile development environment, actively participating in sprint planning, daily stand-ups, and retrospectives

EDUCATION

Bachelor of Computer Applications (BCA)

DSM College, Parbhani – Swami Ramanand Teerth Marathwada University (SRTM) University, Nanded

📅 08/2021 - 06/2024 📍 Parbhani

JavaScript	Material Design	Material UI	React	REST	SPA	Visual Studio Code	Angular	ES6+	

PROJECTS

Admin Dashboard for Employee Management (React.js, Material UI)

Admin Dashboard for Employee Management

- Built a dynamic admin dashboard to manage employee data, attendance, and performance reports
- Created reusable components such as tables, modals, and forms with validation
- Integrated chart libraries for data visualization and implemented role-based access control

PROJECTS

Personal Portfolio Website (React.js, Bootstrap)

Personal Portfolio Website

- Developed and deployed a portfolio site to showcase projects and skills
- Optimized for mobile-first design and integrated GitHub API to display repositories dynamically

KEY ACHIEVEMENTS

 University Website <p>Successfully customized and enhanced the MGM University website, improving navigation, design consistency, and mobile responsiveness.</p>	 React Js Components <p>Designed and implemented 20+ reusable React.js components, improving development efficiency and reducing repetitive code.</p>
 Collaboration with Team <p>Collaborated in a cross-functional team at Shaats Pvt. Ltd., delivering 3+ client projects within deadlines, ensuring positive client feedback.</p>	 Code Quality Improvement <p>Improved code quality and maintainability by actively participating in code reviews, debugging, and following modern React best practices.</p>
 Responsive Design <p>Enhanced user engagement by applying responsive design principles, ensuring seamless experience across desktops, tablets, and mobile devices</p>
